Circular 21-016/H02
14th September, 2021

Dear Parents,

Circular on the recruitment of Student Environmental Protection Ambassadors

The Student Environmental Protection Ambassador (SEPA) Scheme is jointly organized by the Environmental Campaign Committee (ECC), the Environmental Protection Department and the Education Bureau (EDB). It aims to develop students' sense of responsibility towards the environment, to nurture leadership among students and to encourage them to take positive initiatives in improving the environment. The students who are recommended to be SEPAs will continue to be SEPAs until the completion of their primary education. The SEPAs will engage in the Basic Environmental Badge (BEB) Training, mainly participating in seminars, workshops and field visits. Students who participate in at least three environmental services or activities will be awarded the BEBs together with certificates. Students are encouraged to participate in the SEPA Scheme, which will enrich their learning experiences. The application details are as follows:

Target	P.1 - P.6 students
Quota	20 participants
Fee	Free of charge

For enquiries, please contact Miss Yu Hiu Ping.

Yours faithfully,

Chow Kim Ho
