Circular 21-077/H01

12th January, 2022

Dear Parents,

Suspension of Face-to-face classes until Chinese New Year

According to the document of Suspension of Face-to-face classes of Primary schools, Kindergartens and Kindergarten-cum-Child Care Centres until Chinese New Year released by Education Bureau on 12 January 2022, our school will suspend face-to-face classes and all on-campus activities on 14 January 2022 until the schools' Chinese New Year holidays. We will flexibly deploy various learning modes and provide respective support to sustain students' learning at home.

We remind parents to take epidemic preventive measures and pay close attention to the health conditions of their children. Students should avoid going to crowded places with poor ventilation. They should maintain a balanced diet, exercise regularly, and take adequate rest in order to strengthen their immunity. During the period of face-to-face class suspension, our school will continue to maintain communication with parents and students to take care of the learning and emotional needs of the students. We will also keep the school campus clean and hygienic all the time. Our school is required to continue to strictly observe the health measures as stipulated in the "Health Protection Measures for Schools" issued by the EDB and the "Health Advice to Schools for the Prevention of COVID-19" issued by the Centre for Health Protection."

For further information or enquiry, please email to schoolmail@twaps.edu.hk or call 2497 7911.

Yours faithfully,

Chow Kim Ho
