

Dear P.1 - P.4 parents,

Circular on the medium of instruction used in the year 2022-2023

According to the students' learning diversity, the main subjects of our school are divided into Chinese as the medium of instruction group and English as the medium of instruction group. The Chinese subject also has Cantonese and Putonghua as the medium of instruction.

Class Allocation is based on students' assessment results and daily performance. The students' medium of instruction in the coming year will be the same as this year. If any amendments are required, parents will be notified by school individually.

For enquiries, please contact Mr. Cheng Chung Hang.

Yours Faithfully,

Chow Kim Ho
